Request to Modify Special Conditions
of Supervised Release

Dear Judge Hochberg:

On November 11, 2007, the above mentioned offender was sentenced to time served (approximately 13 months) on a charge of use of communication to facility to distribute narcotics. He was placed on supervised release for three years. Special conditions imposed were thirty-six months (3 years) home confinement with electronic monitoring, drug treatment, association restrictions, employment requirements, and DNA testing. A \$100 special assessment was also imposed.

On November 14, 2007, Mr. Banks began his term of home confinement. He has completed this nine-month period without incident.

Since being placed on supervision, Mr. Banks has complied with all directives of the U.S. probation office. There have been no incidents of non-compliance, he has maintained employment, he has avoided any new involvement in criminal activity, and all testing for illegal substances has been negative. He also satisfied the special assessment fee.

Based on this information, we are now recommending that the remainder (27 months) of the twenty seven months of Mr. Banks' home confinement term be removed. We will continue to monitor him closely and will report any non-compliance to the Court immediately. If necessary, we can then sanction the defendant as deemed appropriate by the Court, and re-impose the remaining term of home-confinement. If Your Honor is agreement with our recommendation, please sign the enclosed Form 12B.

If the Court has any questions, or requires more information, please contact the undersigned officer at 973-223-0694.

Respectfully submitted,

Christopher Maloney, Chief
U. S. Probation Officer
